

EMISSION CLASSIFICATION OF BUILDING MATERIALS

Arpa Industriale Spa

The classification working group set up by the Building Information Foundation RTS has approved the following product:

**Fenix NTM
Flooring grade
Lavagna
Magnetico
Metalli
Multicolor
Naturalia
Postforming
Silverlam
Solid
Solid Core
Standard
Unicolor**

as belonging to emission class M1 for building materials.

The classification is valid until 18.10.2018.

Arpa Industriale Spa has the right to equip its classified products with the classification mark and to use this classification mark when marketing these products.

The decision is in line with the requirements laid down in the Classification of Indoor Climate 2008 and the Classification of Building Materials: General Instructions.
